Presentation room

Name	Value
Name english	Municipality Sanem Artikuss
Text english	This large hall, the heart of the building, can be used to hold lectures, theatre performances and concerts, as well as banquets and other social events; The electronic equipment enables an optimal organisation of the events. The hall, whose stage is also accessible to people with reduced mobility, is characterised by its size and clean lines. The auditorium can be optimally adapted to the number of visitors thanks to a movable grandstand. The 18 x 40 metre hall is designed for a maximum of 652 people. The ground-level hall and the movable furniture allow very easy access for guests in wheelchairs.
